REL-a-tives.

11.

LUNG-fish and COEL-a-canth
BACK to the SEA ad-vance

SWIM-mers the RAY-finned fish
SAL-mon and TU-na-fish.

*THESE • • ARE • our FINE fish-y
REL-a-tives.*

12.

FROM now on **NO** more bone
CAR-til-age **STANDS** a-lone

IN ev-'ry **SHARK** and ray
THEY func-tion **FINE** that way.

THESE • • **ARE** • some **FER-O-CIOUS**
REL-a-tives.

13.

LAM-preys then LANCE-e-lets
NO gills: get USED to it.

BREATHE through your SKIN and
lose BRAIN like a TUN-i-cate.

THESE • • ARE • our CHOR • date
REL-a-tives.

14.

STAR-fish and SAND dol-lar
SEA ur-chin, BRIT-tle star

RA-di-al SYM-me-try
QUITE un-like YOU and me.

*THESE • • ARE • e-KINE-o-derm
REL-a-tives.*

15.

IN-sects and SPI-ders too
ALL join in ONE fell swoop

RI-ver of LIFE grows big
WITH worms and CLAMS that dig.

*THESE • • ARE • all VER-y cool
REL-a-tives.*

16.

FLAT-worms and JELL-y-fish
COR-als, a-NEM-on-ees.

POOP and eat THROUGH one hole.
STAY a-live THAT's the goal.

THESE • • ARE • • A-maz-ing REL-
a-tives.

17.

COMB jell-ies LAS-soo prey.

PLAC-o-zo-AN at play

SPONG-es dis-IN-te-grate

CHO-an-o-FLAG-el-late.

THESE • • ARE • some VER-y

strange REL-a-tives.

18.

DRIPS are all PAR-a-sites
FUN-gi can GROW at night

MUSH-rooms and MOLD on bread
A-me-bas HAVE no head.

*THESE • • ARE • some REAL
biz-zarr REL-a-tives.*

19.

THINK of your FA-v'rite tree
AND red and GREEN al-gae

LET-tuce and LI-ma beans
ALL feed on SOL-ar beams

*THESE • • ARE • our LIGHT
eat-ing REL-a-tives.*

20.

RA-di-o-LAR-i-a
MAKE shells of SIL-i-ca

DON'T drink gi-AR-di-a
FOR-a-min-I-fer-a

THESE • • ARE • some SING-le
cell REL-a-tives.

21.

FIND these in **REAL** hot pools
AND in your **STINK-y** stools

THEY'RE sing-le **CELL-u-lar**.

THESE • • ARE • our ARK-e-a
REL-a-tives.

22.

Oh! eu-bac-TER-i-a,
SOME bring dip-THER-i-a

OTH-ers re-CY-cle trash
WITH-out them WE would crash.

*THESE • • ARE • bac-TER-i-a/
REL-a-tives.*

23.

RIV-er of LIFE starts in
O-cean of OR-i-gin

MYS-t'ry of MYS-ter-ies
THIS makes us FAM-i-ly.

WE •• HAVE • a VER-y big

FAM-i-ly

24.

.....
THIS song de-**MANDS** du-et
TOO fast to **BREATHE** through it

SAME with bi-**OL**-og-y
IT'S all e-**COL**-o-gy.

WE •• **LOVE** •• **ALL** of our
REL-a-tives
